**Ideal Option**

## *Survey efforts*

- 1. Mailed postcards to 10,684 households**
- 2. Partner organizations included messages in e-newsletters and social media posts**
- 3. Posted to Facebook groups focused on Skykomish Valley**
- 4. Distributed postcards fliers at social service nonprofits**
- 5. Put up fliers in civic and other public spaces.**
- 6. Press release sent to local media outlets.**

# *Survey results*

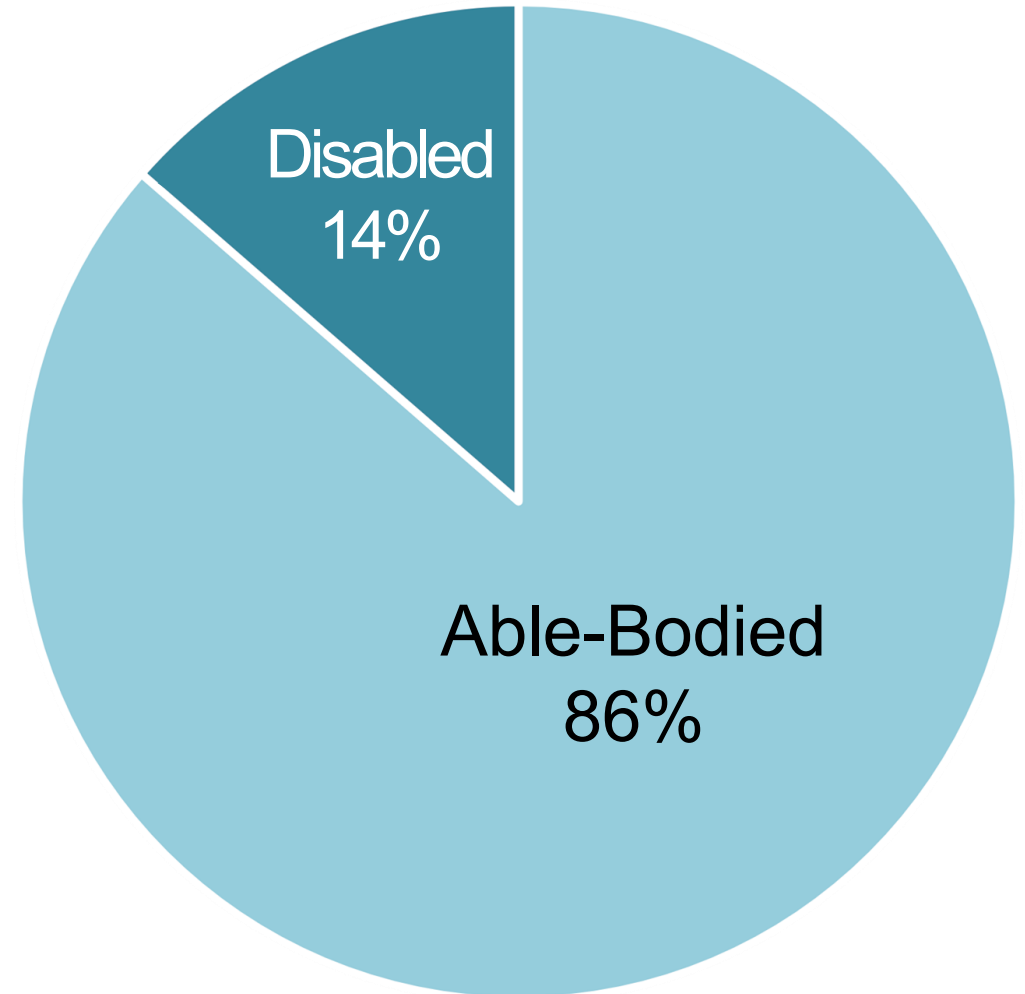

## Income Brackets of Respondents

## Percent of Respondents who are of Older Age

## Abilities of Respondents

# Desired Solutions, All Respondents

High Priority Medium Priority

Multi-use trail: Snohomish to Sultan

Sidewalks, curb ramps, & crosswalks

Bikeway networks

Trialhead transit

Expand Homage TAP

Microtransit

## Desired Solutions, continued

High Priority Medium Priority

Flex-route service: Monroe to Skykomish

24%

Community Vans

24%

Extend Route 270/271 to Skykomish

22%

Expand volunteer driver program

21%

Other

10%

## *Recommendations, continued*

- 1. Improve in-city pedestrian & bicycle networks.**
- 2. Pilot microtransit service.**
- 3. Build roundabouts in Sultan.**
- 4. Provide travel training at senior center.**
- 5. Advocate for Amtrak stops.**

# *Recommendations*

- 6. Community Vans.**
- 7. Strengthen Homage TAP.**
- 8. Pilot Trailhead Transit.**
- 9. Explore flex-route to Skykomish.**
- 10. Multi-use trail.**
